Le Chaînon Team 02
- The Capybaras

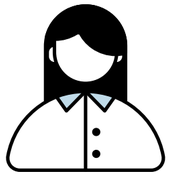
STEPBYSTEP

Empowering women, through every step of their journey.

Objectives

Resident-side	Access an interface to view their intervention plan, associated goals, and customize their information.	Empowers residents to take their goals into their own hands, and ask for help if they need it.
Caregiver-side	Create users for new residents, associate resident info, create plans, plan events. View resident info, associate resources, compile statistics	Enables the caregivers to access all the information and history of a resident. Automates processes, saving time for what really matters.
Admin-side	Modify user and caregiver data	Gives the “keys” of the application directly to Le Chaînon.

For the resident



MANAGE INFORMATION AND CONTACTS

- Personal information
- Significant people
- View plan and goals

CONSULT RESOURCES

Consult caregiver-uploaded resources linked to the plan’s goals.
